ORDER

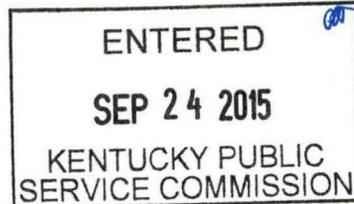

On September 8, 2015, pursuant to 807 KAR 5:001, Section 22, Competitive Carriers of the South, Inc. ("CompSouth") filed a motion with the Commission requesting: 1) deviation from the notice of election of use of electronic filing procedures requirements in 807 KAR 5:001, Section 8(2); 2) that the Commission order that the electronic filing procedures in 807 KAR 5:001, Section 8, be followed in this proceeding; and 3) that the filing deadlines established in the Commission's August 26, 2015 Order establishing a procedural schedule be extended by one week. CompSouth states that good cause exists to grant the motion because, although CompSouth initially did not elect for electronic filing, the Commission's Order of August 26, 2015, required CompSouth to serve all incumbent local exchange carriers ("ILEC"), competitive local exchange carriers ("CLEC"), and commercial mobile radio service providers ("CMRS") with a copy of its petition for a declaratory order. CompSouth asserts that there are 295 utilities listed as ILEC, CLEC, or CMRS providers in the Commission's database of utilities, and thus it would be more efficient and equitable to use the electronic filing procedures established in 807 KAR 5:001, Section 8, in lieu of paper service.

The Commission finds that good cause exists to grant CompSouth's motion.

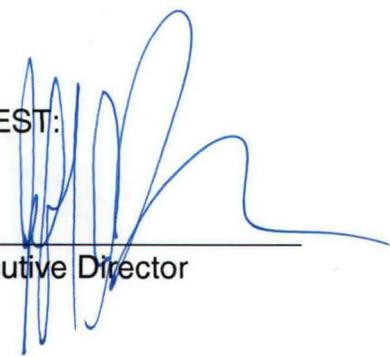

IT IS THEREFORE ORDERED that:

1. CompSouth's motion to deviate from 807 KAR 5:001, Section 8, and amend the procedural schedule is granted;
2. The electronic filing procedures in 807 KAR 5:001 Section 8, shall be followed in this case.
3. Responses to the petition for declaratory order, if any, shall be filed no later than October 12, 2015.
4. Motions to Intervene shall be filed no later than October 12, 2015.
5. Replies to responses, if any, shall be filed no later than October 26, 2015.
